

CORAVIN™
Stop opening, start tasting.

MODEL TWO

The Coravin™ Model Two is Coravin's most intuitive wine system that gives you the freedom to pour and enjoy a glass of wine from any bottle at any time. Model Two is the best-in-class tool that protects your wine from oxidation using Coravin's proprietary technology that leaves the cork in place while the wine flows.

Features

- Coravin Capsules contain 99.99% pure argon gas to protect the remaining wine from oxidation.
- Thin Wall Needle pours 20% faster than the original needle, and locks into place.
- SureGrip Clamp is easy to squeeze and provides a secure hold on the bottle.
- Coravin Capsule Load Cell Technology ensures a tight seal every time.

What's in the Box

- Coravin Model Two and Two (2) Coravin Capsules

Key Benefits

- **Wine Enthusiasts** can expand their palates by exploring, comparing and contrasting regions, varietals, producers, styles and vintages without exposing entire bottles to oxidation.
- **Restaurants & Wine Bars** can use the Coravin System to expand their wine programs by offering better wines by the glass, without the risk of oxidization if a bottle is not sold that night.
- **Wineries & Wine Stores** can offer customers a taste of fine wines before they buy and use the Coravin System as an educational tool for in-store trainings and classes.
